GENERAL PRICE LIST

These prices are effective as of January 1, 2015
(Prices are subject to change without notice)

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director

And Staff and Overhead.....\$2400

Our services include: Twenty-Four hour accessibility; conducting the arrangements conference; planning and supervising all funeral service details; consulting with family and clergy; shelter of deceased; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming.....\$500

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Green Funerals

Kraft-Sussman Funeral Services makes available several “green” burial options and is one of a select group of funeral providers approved by the Green Burial Council; a nonprofit organization that encourages the use of burial as a means of facilitating the restoration, acquisition and stewardship of natural areas. For such arrangements, formaldehyde-based embalming is prohibited. Caskets, coffins or alternative containers used to enclose and transport the dead are made of bio-degradable materials and are available in a range of prices. Home wakes, public visitations, funerals in your house of worship and graveside services are options that may be arranged within the time frame green burial allows. As with all of our service and merchandise offerings, detailed price information for each component is itemized on our General Price List, Merchandise and Services list and Casket Price List.
